

2017 InterACTION Forum

Working Together... Learning from one another!

MAY 10, 11 & 12

Shediac Multipurpose Centre, Shediac, NB

The InterACTION Forum will feature new trends in dealing with cancer treatment, recovery & survivorship.

INVITATION

To all Women with Breast, Cervical, Ovarian and Uterine Cancer as well as their loved ones, Health Professionals, Community Leaders, Health Establishment Managers, and Representatives from Education and Political Sectors.

The FORUM WILL FOCUS on

- **SCALING UP PARTNERSHIPS**
and action to see you through early screening for cancer, treatment and recovery.
- **SHARING KNOWLEDGE**
on current findings, trends and resources with New Brunswick's Women, Families & Communities.
- **STRENGTHENING SELF-CARE PRACTICES**
that educate, engage and empower moving on with life beyond cancer, and thriving.

Featuring keynote speakers Kerry Courneya, Ph.D presenting "Physical Activity...improving your wellness and cancer survival" and Jalila Jbilou, Ph.D presenting "Listening to your pain, stress or distress...moving forward!"

A new WELLNESS MARKETPLACE will offer Action Stations on Getting fit, Eating your way to Health, Mindfulness, CRAFTing your way to HEALING, CARE & SHARE Initiative and much more...

Registration: **\$150**

*Conversations will take place in both official languages.
Interpretive services will be available.*
