

**PASSAMAQUODDY LODGE INC.
DIETITIAN SERVICES**

SERVICES OF THE DIETITIAN:

1. To maintain active registration in the Provincial Dietitian's Association.
2. To follow the guidelines of good practice as laid down by the Canadian Dietitian Association and NBAD.
3. To provide dietician services on a consultative basis to a maximum of 7.5 hours per week.
4. To provide in-service education to staff.
5. To maintain proper records on each resident.
6. To make recommendations on dietetics for each resident and Passamaquoddy Lodge as a whole.
7. To become familiar with and abide by the policies of the Nursing Home.
8. To take an active part in the interdisciplinary conferences on resident care as scheduled.
9. To maintain accreditation standards in providing dietetic service to the Nursing Home.
10. To take an active part in the continuous quality improvement program at Passamaquoddy Lodge.
11. To play an active role in the leadership team.

PLEASE NOTE: A project is underway at the Lodge, called the "*International Dysphagia Diet Standardization Initiative (IDDSI)*". This project will make our definitions and naming of food textures and liquids more consistent with all healthcare settings across Canada and around the world.

This project will increase dietitian services hours to two days per week for the next few months.

ENUMERATION:

1. Passamaquoddy Lodge will pay the dietician rate as set down by the Department of Social Development.

APPLICATION DEADLINE: Until position is filled.
