PROFILE UPDATE

Your Profile Update includes four sections: Personal Information, Employment, Registrations with Other Dietetic Regulatory Bodies, Consent and Professional Associations.

Section 1 – Personal Information

Name: NBAD must record both your legal name and the name under which you practice. Your "First name", "Middle name(s)" and "Last name" is your full legal name. If your first name that you use in your dietetic practice is not your legal first name, indicate your "Preferred name".

A member of the public or employer should be able to locate you on the online *Register of Dietitians*. Thus, the name that you use in professional practice must be well identified during renewal as it will dictate what will appear in the online *Register of Dietitians*.

For example, if your full legal name is Mary Sue Jones, but the name that you use every day and for your dietetic practice is Sue Jones, then Mary Sue would be your legal first and middle name and Sue would be your preferred name.

Legal Name Change: You can make a change of your legal name on the renewal form by clicking the "Add" button. You will be required to upload a copy of legal documentation of name change (e.g., marriage certificate and driver's license) and complete the registration renewal form; however, you will not be able to submit your payment until the NBAD office has approved your name change. An email will be sent to you once it is approved and advising you to complete your payment.

If you wish to change your prefix, suffix or gender identity, please contact the NBAD office.

The screenshot shows the 'PERSONAL INFORMATION' section of a member's profile. At the top, there's a header for the 'New Brunswick Association of Dietitians' with a language dropdown set to 'English' and a user profile for 'Hi, Angela'. Below the header, a note states: 'Provide name on your official documents (e.g. birth certificate, passport). If you wish to change your prefix, suffix or gender identity, please contact the NBAD office.' The form includes fields for 'Registration Number', 'Gender Identity', 'Date of birth (yyyy-mm-dd)', and 'Age'. Under 'Current Name', there are fields for 'Prefix' (with 'Ms.' selected), 'First name' (with 'Angela' entered), 'Preferred first name', 'Middle name(s)', and 'Last name'. A 'Suffix' field is also present with a '-' character. Below these is a question: 'Do you have a preferred name that is different from your first name?' with radio buttons for 'Yes' and 'No' (selected). A red arrow points to a blue 'Add' button. Below the button, a note says: 'Please ensure that your name is correct. Your registration certificate is a legal document and therefore must match your legal name. If you have legally changed your name, please complete the name change request by clicking the ADD button and uploading supporting documents (e.g. marriage certificate and driver's license).' The footer shows 'Alinity ©2021'.

Primary Language: Select your primary language. Your first language is usually the language you learned and spoke in the home. It can also be your primary language, if you've later learned a secondary language. Your primary language is the language that you speak everyday in most situations – home, work, etc. It can be a second language for you.

Language Proficiency: Verify that your language proficiency on file is accurate. To add a proficiency in speaking or writing of another language, click "Add".

The screenshot shows the NBAD profile page. At the top, there's a blue header with the NBAD logo and name. Below the header, the page is divided into sections. The first section is 'Preferred language for NBAD correspondence' with radio buttons for 'English' (selected) and 'French'. Below this is a dropdown menu for 'Primary language'. The next section is 'Language proficiency'. It contains a table with columns 'Language', 'Spoken', and 'Written'. The first row shows 'English' with 'Yes' in both 'Spoken' and 'Written' columns. PRACTICE UPDATE

The Practice Update includes two sections: Personal Declaration and Acknowledgement.

Section 1 – Personal Declaration

In this section, members are required to report any offences, charges or findings of professional misconduct that have been made against them.

Members should not "self-select" which offences they believe are relevant or worthy of a report. NBAD will sort out which offences require further inquiry. If the findings raises no apparent concerns, NBAD will simply file the report. If the findings raises concerns about the member's suitability to practice the profession, NBAD will investigate the matter to determine if some regulatory action, such as remediation or discipline, should be taken.

Members are required to report to NBAD if there has been a finding of professional negligence or malpractice made against them by a court. These findings occur in civil proceedings or law suits. For example, a finding of professional negligence by a court that a member fell below the accepted standard of practice to the profession, and thereby harmed a patient, has to be reported. Where appropriate, NBAD may inquire into these findings.

If you select "Yes", you will be required to provide a brief explanation. You will be able to complete your registration renewal form; however, you will not be able to proceed to the payment page. The Registrar will contact you for further information.

The screenshot shows the 'PERSONAL DECLARATION' form within the New Brunswick Association of Dietitians (NBAD) member portal. 'Have any findings or judgments of professional negligence been made against you in any civil or criminal proceedings in New Brunswick, or any other province, territory, state, or country in relation to the practice of dietetics or of any other profession?' 3. 'Have you been investigated, found guilty or been denied registration due to professional misconduct, incompetence, negligence, or incapacity in New Brunswick, or any other province, territory, state, or country in relation to the practice of dietetics or of any other profession?' 4.
